Grand Pavilion Showcase Sessions

Thursday 4 September 2008

Guests from all facets of the events industry were given an exclusive taste and intimate behind the scenes preview of the new Grand Pavilion at Rosehill Gardens Event Centre last Thursday, 28th August 2008.

The *High Tea at the Grand Showcase Sessions* allowed guests to view the Grand Pavilion's facilities in action while indulging in delicious gourmet treats prepared by the experienced team of in-house chefs.

Rosehill Gardens' theming partner, Visions In Style, set the scene with a gorgeous outdoor themed pre-function area - complete with red carpet, French provincial furniture, stunning greenery and a sparkling chandelier - which then led through to the function area complete with gorgeous white Tiffany chairs, Royal Doulton crockery and fresh roses.

Roslyn McLeod OAM, Managing Director of Tour Hosts, was also on hand to give an insightful presentation, passing on her wealth of knowledge and expertise of the events industry.

"Our Showcase Sessions were a great opportunity for us to really showcase the best the Grand Pavilion has to offer to industry participants who may or may not have already been familiar with our venue," said Tai Pettit, Event Sales & Marketing Coordinator.
